

My name is ANDY RYERSON. I am a lifelong resident of Warren County. I have a background in business management as well as in public safety as a firefighter/paramedic.

For the past 8 years, I have managed the admission gates for the Fair. I also coordinate fire and EMS service for the nightly events as well as first aid. As a member of the Fair Board, I will continue to work to make sure our Fair continues to improve to be a safe place for all of our participants.

I look forward to helping make our fairgrounds be the best it can!
